**OFFICE HOURS: 9 AM – 3 PM TUESDAY, THURSDAY, FRIDAY, SATURDAY**

## Town Manager/Island Operations Director Comments:

We're still enjoying high season, but Labor Day is rapidly approaching, and with it the annual opportunity to participate in making decisions and governing ourselves for everyone's benefit. Here are some related notes:

**Public Hearings:** The BOS/ExC om meeting scheduled for Saturday at 8:00 AM will include a Public Hearing to inform development of the budget for 2020. This is a good opportunity to make your thoughts known on how your tax money is spent.

The Planning Board will hold a Public Hearing on Saturday, August 17 at 2:00 PM to review ordinance revisions including: tree cutting plan and survey requirements for building permits, and beach, camping and signage ordinances.

**Annual Meetings:** This year's combined Annual Meeting of the Board of Island Trustees (BIT) and Annual Town Meeting will occur on Saturday, August 31. This is the meeting at which the major business of the Town is done: officials are elected, and the budget and other matters important to the Town are put to a vote. These concurrent meetings will be held immediately following the annual meeting of Frye Island Inc. (FII), which will begin at 8:00 AM. Registration will begin at 7:30 AM.

As a reminder: **FII** is the holding company for certain Island assets including the beaches, roads, pool and the Community Center. All property owners are shareholders in FII, with one vote per property. In order to conduct its business, FII needs shareholder participation, either at the meeting or by proxy. Information on FII proxy voting is below in this document. The **BIT** is comprised of all cottage owners, with two votes per residence. **Town Meeting** members are registered Town of Frye Island voters. They are also BIT members by virtue of owning a Frye Island residence. By state law, certain matters must be decided by a vote of Town Meeting (registered voters), but by long-standing practice the BIT votes on most of these issues to provide for participation by all residents.

**Elections:** This year two of the three seats on the Board of Selectmen are open for election, one for a 3-year term and one for a 1-year term. One seat of four on the BIT Executive Committee is open. The elections for these positions will occur at the combined Annual Meeting on Saturday, August 31. These are important roles that can have significant impact on the character and conduct of the island. If you're interested in serving in one of these posts, please fill out a Volunteer Form available in the office or on the website under Public Documents. Include a brief statement of your qualifications and basis for your interest in the position to [townclerk@fryeislandtown.org](mailto:townclerk@fryeislandtown.org). To serve as a selectman, you must be a registered Town of Frye Island voter. To serve on the BIT Executive Committee, you must be a member of the BIT.

**Ferry News:** Our sincere thanks to Captain Brian Riley who is retiring from regular duty with the ferry service after almost 11 seasons of getting us to and from the island safely, reliably and cheerfully. Brian will fill in from time to time, but we'll miss his steady presence in the regular lineup.

Thanks again to all the board and committee members and other volunteers who spend a large part of the short time we all have on the island working to make it a thriving and enjoyable place for all of us.

**Bill Braun**

They carry a parasite which causes this itch. Children are at a higher risk as they tend to swim along the shore or in shallow water. Symptoms are a raised red rash, which itches. Clean area with cold water and clean wash cloth. Apply anti itch cream. Avoid scratching. For more information, lookup "Duck Itch" on the internet. Roxy

### Traveling Author Series – Sunday, August 11, 4 PM

This Sunday, we will have our final author visit the island. He will be sharing his writings with you and also has a new release with him call Random Act. Gerry Boyle is the author of 15 mystery novels, including the dozen installments in the Jack McMorrow series. A former newspaper reporter and columnist, Boyle draws on his journalist experience as McMorrow leads him down the backroads of Maine. Faded crossroads, small towns, gritty cities—Boyle knows the darkest reaches of his home state. McMorrow novels have garnered critical acclaim and have been translated into a half-dozen languages.

Boyle is also the author of the Brandon Blake series, the third of which, *Port City Crossfire*, was recently published. He lives in a small village on a lake in Central Maine

Frye Island is a Heart Safe Community and part of being a Heart Safe Community is continuing education to our residents with teaching classes, articles on health and safety and having AED's available for the public use. So here is an article on Heart Attacks and some of the common signs and symptoms. Please be aware these are not the only signs but some of the most common.

### Heart Attack Symptoms and Signs in Women

The classic symptoms of heart attack include a feeling of extreme pressure on the chest and chest pain, including a squeezing or full sensation. This can be accompanied by pain in one or both arms, jaw, back, stomach, or neck. Other symptoms of heart attack include shortness of breath, nausea, vomiting, lightheadedness, and a feeling of breaking out in a cold sweat. Although chest pain and pressure are the characteristic symptoms, women are somewhat more likely than men to experience heart attack that does not occur in this typical fashion. Instead, some women with heart attacks may experience more of the other symptoms, like, lightheadedness, nausea, extreme fatigue, fainting, dizziness, or pressure in the upper back.

### What should you do if you experience these symptoms?

Doctors agree that if you're in doubt, get checked out anyway. Even if you're not sure if something is really wrong, you should call 9-1-1 if you experience heart attack symptoms. Prompt administration of drugs can help restore circulation to the heart and increase your chances of survival.

### Golf Committee Nominations

If you are interested in running for the Golf Committee, please contact the Pro Shop to register at your earliest convenience. There are three openings for three-year terms. You must be an Active Member to run. It is not necessary to register as Nominations can be made from the floor during the Annual Meeting on September 1. However, by registering in advance, you are providing the membership more of an opportunity to consider your candidacy and to discuss your position on various issues that are important to them. All candidates will also be able to make a statement during the meeting. If you would like to submit a bio for the FINS, please forward it to [beth.hirsch@fryeisland.org](mailto:beth.hirsch@fryeisland.org).
