Frye's Leap General Store and Café

Well it does seem as if spring has indeed sprung, with temps staying in the 70's. Good news! Now if we could only get the rain to stay away for a while. It would be good to dry out!

As I mentioned last week, we launched a new website recently. And we are getting a nice number of page views with over 100 visits a day this week. The information continues to be updated and I anticipate that it will all be current and accurate as of entering the high season for us on June 20. Take a moment and check it out at www.fryesleap.com. While you are there, sign up to be a VIP and get on our mailing list for notification of specials and receive coupons!

Now that the warmer weather is here and if you are thinking about planting some more flowers or herbs in your garden, we recently received a second delivery of plants so our selection has increased. We also have organic potting soil in 1 CU FT bags if you need some soil treatment for your plants. And if you would like to add some color to your garden, we have a number of wind spinners in stock. As I mentioned last week, we have a new shipment of signs for decorating your camps. We have them spread out around the store and hardware area so take a peek when you are next visiting us. And we even added a few more new shirts and sweatshirts to our display and inventory. Everything is just about in for the season now.

This is the last weekend of reduced hours for the café where we are open only on Friday, Saturday and Sunday. As well, this will be the last weekend of our smaller menu that is a subset of what we will be offering during the high season. Then once we are open daily effective June 20th, we will launch the full menu. In the bar we have a full selection of cold beverages for your refreshment. We are pouring 15 different draft beers/ciders and 18 different wines. Something to wet your whistle as we continue to move through spring towards summer. Looking ahead to the high season, our first tap takeover has been scheduled. We will be pouring beer with Lone Pine on Saturday July 13. If you are a Lone Pine Oh-J fan, be sure to mark the day on your calendar! Several other tap takeovers are in the planning stages.

The schedule for the store this coming week is as follows:

Friday	8:30am	9:00pm
Saturday	8:00am	9:00pm
Sunday	8:00am	6:00pm
Monday thru Thursday	8:30am	5:00pm

And then the schedule for the cafe this coming weekend is as follows:

Friday	3:00pm	8:30pm
Saturday	11:00am	8:30pm
Sunday	8:30am	6:00pm
Monday thru Thursday	closed	

And in the event of inclement weather (which there may be some this weekend), please check our facebook page or give us a call for the latest on our hours. It is not uncommon for us to close thirty to sixty minutes early if the weather is poor.

We are looking forward to seeing you as we make our way towards summer and warmer weather!

IMPORTANT INFORMATION FROM YOUR VOLUNTEER FIRE DEPARTMENT

As we start the high season on Frye Island, please remember to replace the batteries in your smoke and carbon monoxide detectors! The best practice is to replace the batteries at the start of every season to be sure the detectors sound the alarm if you need them.

ALWAYS USE YOUR E-911 ADDRESS WHEN CALLING 911 FOR ASSISTANCE.

This is the number on the metal pole installed by the town near your driveway and on the refrigerator magnet distributed by the town. Having the correct address is crucial to getting emergency services personnel to your home quickly. It applies to all emergencies, whether fire, medical or police. Please provide this number to any guests and renters who may use your property. Thanks, and have a great season!

**Deputy, Howard L. Brown, 207-893-2810, brown@cumberlandcounty.org
Cumberland County Sheriff's Office, Patrol Division**

Hello Frye Island, I realize that the season is just beginning, so I will use this forum to answer a few questions.

1. You must have a driver's license in either Maine or your home state to operate a motor vehicle on Frye Island. This includes golf carts, cars, motor cycles and yes UTV's. If you have a youthful appearance and I pull you over, you must produce a valid driver's license.
2. Adults: You may not operate a motor vehicle in the state of Maine with an open container of alcohol. Failure to comply will result in a motor vehicle violation. A ticket for clarification.
3. Fireworks are illegal on Frye Island.

These are a few questions that I was asked more than once so I figured it would help address them publically. Thank you for allowing me to be of service. Howie

Traveling Author Series

The Recreation Department is bringing 3 very interesting authors to the Island. Our first author is Dave Partridge at 11:00AM on the 29th of June. Dave Partridge is a screenwriter, producer, and civil engineer. His first feature screenplay, "Honey Marooned (a.k.a. Frye Island)" was written in 2017 which was inspired by an engineering co-worker's own late-season honeymoon at the seasonally-inhabited isle in Maine. He is currently working on his second comedy feature titled "Snowbirds", a comedy about a veteran FBI agent that reluctantly goes undercover

into a Florida senior community to thwart a series of drugstore heists. Dave is also the writer and producer of "I am DB", a comedy series about a struggling Orlando TV/Film Studio Owner and his misfit crew. The 30-minute pilot was filmed in Florida during Summer/Fall 2018, and post-production was completed in December, 2018. Please mark your calendars and come hear his very interesting story!

Social Bridge

Come join us for an afternoon of Social Bridge each Wednesday at 1:00 PM in the Golf Clubhouse. All levels are welcome. Questions? Contact Nancy Perry at 207-655-5221.

Community Center Improvement Committee

The Executive Committee and Board of Selectmen are pleased to announce the formation of the **Community Center Improvement Committee** to develop a Vision and Long-Range Plan for improvements to the physical structure of the Community Center to meet the current and future needs of the Frye Island community. The Community Center has been a central part of Island life with important functions occurring there including the Teen Center, Toddler Room our children, the Library, Exercise Activities,

Sunday Chapel Services and other functions needing a large meeting space. The Executive Committee working with Frye Island Incorporated felt this would be an appropriate time to develop a multi-year plan for building improvements to meet the needs of Islanders into the next decade. **However, to make this a success we need your input!** We will be identifying committee membership this month, so if you have an interest and would like to serve contact the Office and submit a Volunteer Form. The meetings will be public, so please look for them and participate by offering any ideas you may have for Community Center uses and improvements. We would like to have the vision and improvement plans in place this year, so any changes to the building can start as soon as possible. If you are interested in becoming involved, please drop by the Town Hall or go online and complete a Volunteer to Serve Form.

SOUTHERN DRAWL BAND CONCERT UPDATE

Saturday June 29, 2019

This week, concert ticket sales have continued to be good and we only have about 50 tickets left so if you are planning to go to this great event you should purchase or reserve them as soon as possible. For those of you who have reserved tickets it would be great to stop by my house or the golf club and pick up and pay for your tickets. We will again donate every dollar to this worthy Island cause! This year we have decided to donate ½ the proceeds to the Frye Island EMS and Fire Department. Our amazing first responders have equipment needs that are not in their budgets that will benefit every Islander by enhancing safety and the total island experience. We will donate the other ½ of the proceeds to improve the community center. A specific project for these funds will be chosen shortly. These funds, to be donated to a community center project, will be matched by a gift given by an anonymous donor to the town. This will be a perfect way to get a substantial community center project underway. This event will begin at 3 PM and in the event it rains on Saturday the events rain date will be on Sunday July 1st at 1 PM. The Band is excited to come back and worked their schedule to be here on the island for the 4th of July week. They are one of the best live performance bands in the country and everyone who attended the concert last year had rave reviews. The concert, as was the case last year, will be held at 281 Leisure Lane. I am also pleased to announce that Frye's Leap will again provide food at the event. So a big thank you to Dave and Amy Wagner! As the week of the 4th of July is the busiest of the season, and so many of you entertain family and friends we wanted to give you an opportunity to reserve or purchase tickets for this 2018 event as soon as possible. The tickets are \$30 each. You can reserve or actually purchase tickets by calling me at 401-439-1060, stopping by our house at 281 Leisure Lane or at the golf club. Don't miss this opportunity to add this event to your families' 4th of July week fun. For those of you who have reserved tickets we would appreciate it if you could pay for them as soon as possible. If you reserved them with me please see me. If you cannot attend please consider making a donation for these worthwhile causes. Such donations to the town are tax deductible and will improve the overall Island experience. If you designate your contribution for the community center this donation will also be matched by the anonymous donor! If anyone would like to donate an item to be raffled off at the concert we would welcome them. The Fire and EMS departments will again have an awesome liquor basket at the event. Great raffle items might be retail or restaurant gift cards. Help us make this an amazing fund raising event again this year! So buy your tickets now! You will have an amazing time! If anyone has any questions please email me at alanw155@aol.com or call me at 401-439-1060.
