OFFICE HOURS: 9 AM – 3 PM TUESDAY, THURSDAY, FRIDAY, SATURDAY

Town Manager/Island Operations Director Comments:

We have a lot of time left on the Island and it's been a great year in most respects, but remember that high season ends this weekend, and the switch back to the low-season schedule for the Ferry and Transfer Station will occur this week.

Meetings: Last reminder that the Annual BIT and Town Meeting will follow the FII Annual Meeting, which will begin at 8:00 AM on Saturday at the Community Center. Registration will begin at 7:30 AM. These meetings are where the main business of the Island is done each year, including approval of the budget and election of officers. It's a good opportunity to gain an understanding of how the Island works, and have a voice in how we move forward.

Office Hours: The office will be closed during the Annual Meeting, but will open when the meetings are finished.

Transfer Station Note: As you may know, the rules for what can go where have not changed, but the increased awareness brought on created by the change to Ecomaine has apparently been helpful. On Our level of contamination on the first haul of the single-stream recycle container was reported back at 1-2%. This is about as low as it gets, which helps significantly with disposal costs.

Roads: We expect to be doing more grading and resurfacing of roads as traffic diminishes during the coming weeks, in the ongoing effort to correct and prevent potholes and washouts. Please be patient with any hold-ups.

Pool: The pool will be closed for the season as of Tuesday, September 4th.

Enjoy the holiday weekend and the rest of the season!

Bill Braun

Elections:

Office	Candidates
Board of Selectmen: 3-year term	Dave Wagner
Board of Selectmen: 1-year term	Ed Charrette
Executive Committee - BIT	Alan Ross Sara Lewis

Candidate for BIT Executive Committee – 3 year, Alan W. Ross

My wife Kathi, my children and I have been enjoyed Frye Island for almost 43 years. I fell in love with the Island the moment I stepped foot on it back in 1976. It seemed then and still today a special place to relax, enjoy our family life and raise our children. For thirty plus of those years we made life-long friendships with families in our neighborhood and enjoyed everything the Island has to offer.

Over all these years the island population has grown significantly and there are challenges ahead to insure that future generations and our children have the same sort of place we have enjoyed all these years. This is why I ran for an open BIT seat last year. Three years ago I retired and now we enjoy spending 5 months a year on our island paradise. Kathi and I feel we have been blessed and decided we wanted to give back to the community as much as possible. To that end I am a present member of the golf committee, the community center improvement committee and the Board of Island Trustees. I also serve as a volunteer ambulance driver, help pick up the golf balls on the driving range each week and serve in the kitchen on golf club Wednesday night dinners. As a Rotarian I believe in service above self. To that end I was awarded the high honor of being named Rotarian of the year in my home town community of Melbourne Beach, FL.

In the last three or so years I have lead 3 significant projects to improve the golf course and make it more sustainable in the years ahead. The Driving Range, the New Practice Putting Green and the new deck behind the clubhouse were all completed the last three years under my leadership. All of these projects are a testament to Frye Island spirit and generosity as islanders donated over \$150,000 of cash and in-kind services to make these projects a reality without one dollar of taxpayer funds being required. They are also a testament to a lot of hard work by many islanders who worked on these projects. All of these projects improved the island experience for everyone in the town. My wife and I are also proud of the charity work we have done by raising over \$50,000 for island causes via the annual band concerts we host in our back yard. Your support at these events has enabled us to provide sleeping quarters for our EMT's and a new automated CPR machine.

I would appreciate your vote this year. I am an experienced no nonsense results oriented business person and I believe I can help move the needle and prepare us for the decades above. As a former CPA, Private Equity President and COO of a diversified family holding company I have the skill sets to lead and more importantly get things done. I believe in small government, holding management accountable, fairness to all taxpayers and striving to keep our Mil rate (our real estate taxes) as low as possible. I would appreciate your vote at the annual town meeting. If you have any questions or if you would like to talk to me about any issue just call me or stop by my house.

Candidate for BIT Executive Committee – 3 year, Sara Lewis

I have been a Frye Island homeowner since 2010 serving on the Frye Island Investment Committee and recently joining the Land Management Committee. Outside of Frye Island, I am a resident of South Portland and a Principal at Spinnaker Trust. I, like many of our Frye Island neighbors, feel this is an important time in our town's development. We need to proceed with care and thoughtfulness. The town is beginning to work on a long-term development plan (LTDP) which will guide how we proceed with future growth including new construction, our ferry system, water services, and roads. We have an obligation to come up with a plan that will help us steward Frye Island for years to come. That is why I advise caution in going too fast in any direction until the plan is complete. In the meantime, we can take steps to make public access to the lake easier for all, create a new mooring park, and use some of the town waterfront property to add beaches with kayak/canoe racks. I have lived in Maine for nearly 40 years and I've learned that Frye Island is a hidden gem. We all want to preserve Frye Island's natural beauty and family friendly style. I would work hard to help get our town on solid footing for the future.

Candidate for Board of Selectman – 1 year, Ed Charrette

I have been coming to Frye Island for the past fifty years. Even after traveling all over the world, it remains my favorite place to live. My background is varied, after working as a physician for twenty years I became a hospital medical director and later a corporate medical director. I have served on many boards including a Health Maintenance Organization and 12 years for a company listed on the NYSE. I have been an active volunteer on the Island serving in leadership positions and/or as a member of FII, Appeals Board, Planning Board, Comprehensive Plan, Land Management Commission and as a co-founder of the Conservation Commission where we were able to place numerous lots into conservation. I also developed our Trail system and maintained it until recently. Frye Island has been growing steadily without much change until recently when it is beginning to have some growing pains. I would like to do everything I can to preserve its unique forested character and natural beauty.

Candidate for Board of Selectman – 3 year, Dave Wagner

My wife and I have been married since 1983 and are blessed with 4 wonderful daughters and 4 grandchildren. We have been visiting Frye Island since 2000 and we have owned property since 2003. During that time we have developed deep friendships and bonds on the island. When I am fortunate enough to have a free moment, I enjoy playing Pickleball. It helps me to work up a thirst for my other hobby, sampling great craft beer from around the country. In 2011 my wife Amy and I purchased Frye's Leap General Store and Café and have been running this business for the last eight years. This experience has allowed me the opportunity to get to know many island residents and their concerns about issues facing the island. This has been extremely helpful in my duties as a Selectman, which I have been since late 2015. This past year I have served as First Selectman and worked very closely with our town manager on issues and challenges facing the island. Our island is going through a period of growth and transition, as many new families move onto the island. I believe that based on my previous tenure as a selectman and our ownership of the café, that I am well positioned to listen to the input of our fellow islanders and work with the town manager and colleagues on the Executive committee to help chart a path forward.

Frye Island Yacht Club Annual Meeting and Election

2019 Frye Island Sprint Triathlon – “The TriFrye”

Sunday, September 1st @ 9:00 A.M.

The Recreation Committee will once again hold an informal sprint triathlon on Sunday, September 1st at 9:00 AM. The event is open to participants of all abilities, including those who would prefer to kayak, SUP or snorkel instead of swim. This is meant to be a fun event and people are encouraged to participate either individually or as teams.

The two transitions will be at Beach 6 but the start will be at Beach 5. The order of events is Swim, Bike, Run. The swim leg will be from Beach 5 to 6 (1/3 mile). And then there will be a 6 mile bicycle ride around the island followed by a 3 mile run. Participants are expected to time themselves. Please arrive at Beach 5 at 8:45 so we can start the event on time.

PARTICIPANTS - There is no registration nor entry fee - just show up, participate and have fun.

VOLUNTEERS - We need a minimum of 10 kayakers and SUPer’s to spot and watch the swimmers during the swim leg. If you are swimming in the event, consider bringing your own spotter to ensure we have everyone covered.

SPECTATORS - the best place is at Beach 6 to watch the end of the swim leg, transition from swim to bike and bike to run and then the spectacular FINISH! Come cheer on your fellow islanders!

Please contact Patti Brown for any questions or to volunteer at pattibrownre@gmail.com

Proxy Voting for Frye Island Property Owners

NOTICE OF ANNUAL MEETING OF FRYE ISLAND INC. STOCKHOLDERS

Saturday **August 31, 2019 at 8 AM** in the **Frye Island Community Center**

All Frye Island property owners are encouraged to attend and VOTE in person or by proxy at the upcoming annual Frye Island Inc. (FII) stockholders meeting.

Every person who owns a taxable lot on Frye Island as listed on island tax records as of the date of record, 40 calendar days prior to the meeting date, is a stockholder entitled to vote as provided in Article X of the FII Bylaws. There is one vote for each taxed lot.

FII needs to reach a quorum in order to conduct normal business functions in accordance with FII by-laws, including keeping facilities and other assets in good repair and available to residents. We need your support and participation in order to function. Please attend the meeting in person to participate and vote if possible. A stockholder may also elect to establish a proxy to vote on their behalf, which may be either a paper proxy or an electronic proxy using the proxy election form on the Internet. This link is also being sent to islanders' email addresses on file with the town office:

https://fryeislandinc.formstack.com/forms/proxy_election_form_copy

Votes by proxy or in person will determine election of FII board members as nominated in advance or at the meeting, approval of our budget, and for other routine matters that arise from time to time. Your proxy will designate the FII clerk or another individual of your choice to vote in your place at the meeting. The FII clerk will execute proxy votes in accordance with the FII board consensus. If you select a different individual to hold your proxy, that individual will vote in your place.

Both the electronic and paper versions of the proxy provide that once the proxy is established, it will remain in force indefinitely unless the voter opts to limit it to the 2019 meeting or later revokes the proxy by written notification to the FII clerk. Should a stockholder who has granted a proxy decide to attend a meeting, he or she may cancel the proxy at that time and vote in person. Note that all proxies associated with a lot being sold, conveyed or transferred shall automatically terminate when the lot changes ownership.

The board's continuing practice is that all major issues/decisions anticipated to arise will be posted in the FINS well in advance to allow for personal attendance at the meetings if desired. Your vote is important. To ensure the FII Board is able to properly conduct its business when a physical quorum is not achieved, the Board has established this proxy structure. Please take the time to support our ability to conduct routine island business by attending the meetings or issuing your proxy.

PLEASE SUBMIT A PROXY IN ADVANCE OF THE MEETING IF THERE IS ANY POSSIBILITY THAT YOU WILL NOT BE ATTENDING IN PERSON.

Questions about proxy voting? Please contact the FII President, **Jacque Ossi** fryeislandinc@gmail.com

Questions or suggestions regarding this form? Please contact **Eric Gleysteen** ericg45@gmail.com

Frye Island Volunteer Fire Department

As we approach Labor Day, a big thanks to all those who have volunteered their time to the Frye Island Fire Department or to drive the ambulance, and to Sheriff Howie and Cathy Gosselin and all those who work for our EMS. Thanks also to those on the island who have supported FIFD by coming out to the hot dog lunch in July and by donating their refundable bottles and cans at the red FIFD shed at the Transfer Station throughout the season. If you would like a T shirt and haven't yet gotten one, email fifd.association.treasurer@gmail.com or see anyone on the Fire Department.

Hello Frye Island, thank you to all of the people who came down to the Frye's Leap Cafe to have Coffee with a Cop. The Sheriff and his staff received very good information from the visit. Many people commented that it was refreshing to have a relaxed conversation with the Sheriff and his Command Staff. If you were not able to make to Coffee with a Cop you can always contact either through dispatch, my e-mail or stop me as I am patrolling. Thank you for allowing us to serve you. Calling all islanders from the 1960's and early 1970's

The Frye Island Historical Society (FIHS) is coordinating a **Frye Island Stories from the Past** project. The original property owners on the island have a unique story to tell and the FIHS would like to help preserve that history! To that end we are seeking original property owners, or their relatives, who are interested in contributing to this story telling. How did you learn of the island? Come to build a home here? How did you experience life in the "early days" of Frye Island? Together your stories and anecdotes will bring to life some of the photos and memorabilia that are also being archived by the FIHS.

Are you interested in sharing your story? For more details and information about participation in the **Stories from the Past** project, please email Sandy Storer, sandystorer@comcast.net. If you prefer the phone, call Sandy at 781-439-5296! FIHS Committee Members: Joan Rivard (Chair), Amy Wagner, Roger Stenz, Kent Anson, Sandy Storer, Karen Foley, Buddy Rogers

Frye Island EMS

Cathy Gosselin, Frye Island EMS Director

cathy.gosselin@fryeislandtown.org

As the summer winds down, the EMS team is still here to help in the event of a medical issue. Please call 911 if needed and be prepared to give them your E-911 address.

Frye Island is designated as a HEART Safe Community! We have the HEART Safe community award that designates Frye Island as a town that has medical care available, AED's accessible for use and helps promote and educate the public on wellness topics.

We have AED's located at the golf course, outside of the Café, at the Community Center, in the ambulance, Sheriff's vehicle and some of the fire apparatus. AED's are part of the early survival chain for cardiac arrest, when used along with CPR and early medications for when a person goes into cardiac arrest (their heart stops) and are easy to use! They are designed for use form the general public and talk to you and prompt the rescuer on what to do if someone goes down.

As part of our cardiac care, we have ordered "The Thumper" a mechanical device to help deliver fast and accurate CPR in the event a person goes into cardiac arrest. This device was purchased from donations at the concert hosted by Alan and Kathi Ross and from donations made in memory of a long-time islander John McGregor. Our thanks to all who donated to help us purchase this life saving gift.

Frye Island Golf Club New Membership Promotion and Reception

On Saturday, August 31st at 3:00 to 5:00 PM the Frye Island Golf Club will be hosting a reception for those individuals and families that would like to know more about becoming a golf club members. Food and Refreshments will be offered to those coming to the reception.

We are proud of all the positive things that have been happening at the golf club. The course continues to improve in quality. We have a new driving range and practice putting green and the entire back deck of the club has been upgraded and replaced. This past year the club has had its most active social event calendar. We are looking to continue to improve the 2020 social calendar including adding more events for youth and woman members.

If ever there was a time to join the golf club this will be the time to do it. As an added incentive to obtain new members the greens committee has approved this very special offer. Last year this successful promotion produced 15 new members to the club, half of which were women. Our woman's and youth golf programs continue to improve. If you or your family become new members before or at this reception your membership fees (and if interested your trail fee) will cover the remaining portion of 2019 and all of 2020 at 2019 rates. This means you will have full membership/golf privileges for all of 2020 and the rest of 2019!

Promotional membership rates are as follows

- 1) Single membership \$760 annually (2019 rate)
- 2) Family membership \$ 1,125 annually (this is an amazing value proposition for a couple and their children) (2019 rate)
- 3) Trail fee \$225 annually (this fee allows you to use your cart on the course for the entire year. (2019 rate).

There is also a small initiation fee of \$575 that is required but it can be paid in one payment in 2020 or over 3 years beginning in 2020.

So come to the club and see all we have to offer and all we have planned for the future. If anyone knows of a family or an individual that may be interested in joining please tell that person about this promotion and about the reception and send their names to me. If anyone has any questions before the reception you can come and see me at 281 leisure lane, call me at 401-439-1060 or email me at alanw155@aol.com. I would also be honored to give you a tour of the course and its amenities. Alan Ross for the Golf Committee.

FRYE ISLAND RECREATION

Email: recreation@fryeislandtown.org

Message from the Rec Dept. – Our hours for the weekend are 10am-2pm. Our last day for the summer is Sunday, September 1. Come claim your crafts before the gnomes take them!! Thanks to all who made this a fun summer!! If you have feedback or ideas for the Rec Department, we would love to hear from you. Please email recreation@fryeislandtown.org

Bootcamp - Sunday, September 1, 9am with Amy Kilburn at the Ballfield.

Vinyasa Yoga w/ Christie: Fri/Sat at 8:30am at Short Beach (\$10). Real 100% Grade A organic yoga on the beach :). Christie is a certified Yoga Teacher.

Honey Bee 101 – An Interactive Presentation with Bruce Gasco – Monday, September 2, 10 am at the Community Center. Come join us in a fun, educational, and tasty exhibition, to better understand the world of the single most important living beings on the planet and the newest members of our Island Family: The Honey Bee! There will be handouts, and other special things you'll be able to take home. You'll leave with the knowledge and tools needed to do your part to help preserve these amazing creatures, and to help educate others. Following the presentation you will be able to see a live colony of bees in a specially designed glass case observation hive, that will allow you to get up close, find the queen and even watch her lay an egg! Everyone will also get to taste some of their fresh raw honey, Liquid Gold! This class is specifically designed to engage children 4 and up. But I can assure you children 4 to 100 will enjoy it equally!! All ages are welcome and encouraged to attend!! Bring the whole family.

Pickleball - Mon, Wed, Fri, Sun at 8:45 am at Lancaster Loop Tennis Courts. Pickleball is a paddle sport (similar to a racquet sport) that combines elements of badminton, tennis, and table tennis. Suitable for all ages! Everyone is welcome! Pickleball will not be held on rainy days.

Casco/Frye Island Pickleball Mixer - Sunday, Sept. 15 - for Intermediate players and friends... more information to follow.

Annual Golf Committee Meeting at the Clubhouse

Sunday, September 1 10:30 AM

Everyone is Welcome!

Golf Committee Nominations

If you are interested in running for the Golf Committee, please contact the Pro Shop to register at your earliest convenience. There are three openings for three-year terms. You must be an Active Member to run. It is not necessary to register as Nominations can be made from the floor during the Annual Meeting on September 1. However, by registering in advance, you are providing the membership more of an opportunity to consider your candidacy and to discuss your position on various issues that are important to them. All candidates will also be able to make a statement during the meeting. If you would like to submit a bio for the FINS, please forward it to beth.hirsch@fryeisland.org.

Registered Nominee:

John Kett

I retired five years ago after being the Plant Engineer at Draper Laboratory for 15 years. Prior to that, I owned my own successful HVAC business.

I have been a resident of Frye Island for 38 years, and have been a member of the Frye Island Golf Club for 36 years. Of those 36 years, I served 25 of them as a member of the Golf Committee. I am the originator of the Sunday Morning Scramble, which I ran for the first 15 years; it has run for 36 years. I have run many golf tournaments on the island. I am actively involved in events that are run at The Frye Island Golf Course, all benefiting The Frye Island Golf Club. I hope to be elected to the Golf Committee to continue to support the golf course through event planning as well as the improvement of the course and its facilities. I would greatly appreciate your vote.

Mark Gallant

My professional career was as a federal government affairs specialist representing the policy interests of various business organizations, as well as being a residential remodeling contractor. I also served for 12 years as a Board of Directors' Chairman overseeing the development and management of a townhome community.

Although I am a recent Golf Club member, I would welcome the opportunity to use my personal and professional experiences to help advance the members' golf course, facilities, and social priorities. I welcome your vote!

Mike Hurley

I'm from Massachusetts and I own a small print & copy center in West Newton. My wife Ann and I bought on the island in 1988 and I joined the Golf course in the mid-1990s. I've served on the Marina Committee and the Golf Committee for over 10 years and served as the Golf Committee Secretary. For a number of years I have helped organize and run Night Golf every year and am currently in charge of organizing the Sunday Morning Scrambles. My goal on the Golf Committee is to improve the experience for everyone who comes to the Club whether it's for Golf or the Lounge or just the social aspects of the Club. I would appreciate your vote.
