Town Manager/Island Operations Director Comments:

Island life has definitely slowed down, but it's great to see the number of people still here. Just a few notes this week.

Marina: This is the annual reminder that all boats have to be removed from the Marina by Monday, October 7.

Paddock Circle: Remember that all trailers and other items stored in the Paddock Circle trailer parking area must be removed every year by Columbus Day (October 7th this year). As usual, any items left after that date will have to be treated as abandoned property.

New Ordinances: This is another reminder that changes to Beach Ordinance and several parts of the Land Use Ordinance including regulations for tree cutting, lot surveys, camping and signs were adopted at the Annual Meeting on August 31, and were effective immediately following the meeting. These were published in the meeting warrant, which was posted and distributed by town-wide email, and are available on the website in "Public Documents." Of particular note are the requirement that any cutting of trees, including lot clearing and selective cutting, requires a permit by the Code enforcement Officer (which is free of charge), and the rule that any work that changes the footprint of structures on a property (including buildings, decks, septic systems, driveways, parking areas, etc.) requires a boundary survey, unless the requirement is waived in writing by the code enforcement officer because it is obvious that the proposed work will not violate setback or other regulations.

Lot Numbers vs. Addresses: Lot numbers are very useful on Frye Island because they are a unique identifier for each property, independent of the road on which the property is located. However, as of last year, your **address**, for mailing, utilities, and all other purposes requiring a physical address, is your **e-911 number and street**. It's not a good idea to use your lot number with the road name for any purpose because it creates confusion, particularly in locations where lot numbers and street address numbers are similar. If you need to identify your property by lot number (which is very helpful sometimes), use "Lot xxxx" and do not include the road name. Otherwise use your street address. This could go a long way toward resolving some of the confusion that still exists.

Please enjoy what for many is the best time of year on Frye Island, as we start to move into Fall.

Bill Braun

Code Enforcement Officer - John Thompson - codeenforcement@fryeislandtown.org

Tuesdays and Thursdays 8:00 AM – 3:00 PM

At the meeting last Saturday, rules for tree cutting and lot clearing were revised. The underlined statements are new and will be implemented immediately. There is no cost for a tree cutting permit.

4. Permissible Cutting and Clearing

- a. Any cutting of trees, including selective cutting and clear cutting for construction shall require a permit issued by the Code Enforcement Officer. Any areas to be clear cut shall be delineated on a site plan to be submitted with the permit application. Trees to be selectively cut shall each be identified by a ribbon for inspection and approval by the Code Enforcement Officer.
- b. No building permit may be issued without an approved tree cutting plan, including a site plan with any areas to be clear-cut clearly delineated, and the approximate location of trees to be selectively cut identified.

The requirements of § 101-III-15 N.3 shall apply to all lots in any Residential District in the Town, with the permissible clearing being calculated as though the entire lot were within the Shoreland Zone at distances greater than 100 feet, horizontal distance, from Sebago Lake.

Weekly Café Musings:

The post Labor Day slowdown has begun and boy are things slow around here! Our annual end of year clothing sale with all clothing marked down 20% is underway. Come get yours while there is a selection of sizes and colors!

The café is now closed during the week and open only on weekends. The store will continue to be open daily but with reduced hours. During the day we will have pizza by the slice, sandwiches and soups.

Starting to run out of things at the store although we will continue to try and stock the essentials. Sorry in advance for any disappointments!

It is not too early to be thinking about Frye't Fest! Time to get the costumes dusted off and be ready for a great time on Saturday October 12th! A good time will be had by all!

What happened last Sunday night? Who was that team that played against the Patriots? It surely could not have been the Steelers!!

We are looking forward to seeing you down at the Café and Store!

Hello Frye Island, I hope this email finds you well and Hurricane Dorian has not caused you any damage. We were all watching the storm and thinking of our friends in the south hoping they would be spared. From what I understand most of our friends are safe. Safety is my main concern for the island and for that reason I ask anyone who observes an unsafe act either in a traditional vehicle or a golf cart to contact dispatch and report the matter using the 911 system. I can't correct the unsafe act if I am not made aware of it through communications. I strongly urge anyone seeing an incident to use the 911 system. The calls are prioritized by the dispatchers and they will assist you in a timely professional manner. Thank you for allowing us to serve you. Deputy Howard Brown

**Frye Island EMS
Cathy Gosselin, Frye Island EMS Director
cathy.gosselin@fryeislandtown.org**

As the summer winds down, the EMS team is still here to help in the event of a medical issue. Please call 911 if needed and be prepared to give them your E-911 address.

Frye Island is designated as a HEART Safe Community! We have the HEART Safe community award that designates Frye Island as a town that has medical care available, AED's accessible for use and helps promote and educate the public on wellness topics.

Frye Island Volunteer Fire Department

It's a beautiful season to be in Maine, but also time for people to start back to their "other" lives, wherever those may be. Little by little, and then all at once, our island population drops. FIFD wishes everyone a safe, healthy and enjoyable off- season.

Chapel

Come join us for Sunday Chapel Service at 8:30AM in the Upper Room at the Community Center...Please notice the time change...Pastor Dave has generously offered to come out to the island this fall to share the word of The Lord with us starting this Sunday @8:30 AM and for the fall services.

Mah Jongg

Monday at 9:30 AM and Thursday at 12:30 PM. We will be playing at the Golf Course Clubhouse. Any questions, please contact Carol Stenz (207) 655 4041 or Eileen Sullivan (207) 655 4950.

Garden Club Maintenance – Saturday, September 14th

Our maintenance for this month is on Little Frye Island. A clean up is necessary every two years to keep weeds and overgrowth under control.

Please bring trimming tools for small and large bushes as well as rakes. As always, we start at 8:30 and work for an hour or so. More hands makes for an easier work load! We welcome all volunteers!!! We sure so appreciate the extra helpers, thank you!

BOBBEX FOR SALE. Are the deer eating your plants? The Garden Club has Bobbex for sale to protect your plants. Please call Carol Stenz at 655-4041 or Talli Sutherland at 655-3621.

The Fitness Center

The final cycle class will be on Monday, Sept. 16th, at 7:00 am. Final Open Gym will also be on Monday the 16th, from 7-11:00 am. Thank you all members and supporters of The Fitness Center, we would not be open if it weren't for your support!! We look forward to seeing you next summer!! Remember we are still looking for at least one more cycle instructor!!

Calling all islanders from the 1960's and early 1970's

The Frye Island Historical Society (FIHS) is coordinating a **Frye Island Stories from the Past** project. The original property owners on the island have a unique story to tell and the FIHS would like to help preserve that history! To that end we are seeking original property owners, or their relatives, who are interested in contributing to this story telling. How did you learn of the island? Come to build a home here? How did you experience life in the "early days" of Frye Island? Together your stories and anecdotes will bring to life some of the photos and memorabilia that are also being archived by the FIHS.

Are you interested in sharing your story? For more details and information about participation in the **Stories from the Past** project, please email Sandy Storer, sandystorer@comcast.net. If you prefer the phone, call Sandy at 781-439-5296! FIHS Committee Members: Joan Rivard (Chair), Amy Wagner, Roger Stenz, Kent Anson, Sandy Storer, Karen Foley, Buddy Rogers.

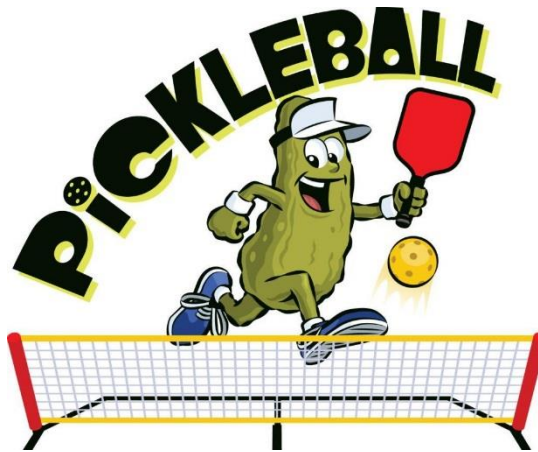

Volunteers Needed for Frye't Fest

What I love about this special Island is the way we help each other! The Frye Fest is coming October 12th and it's a wonderful family event that brings the closing to the island! So many of us come back for this special event! As a part of the recreation committee I said I would look for volunteers to help with the many events planned. Amy and Dave are so gracious in planning that we need to help where we can! There are bouncy castles, crafts, many games, trunk r treat, and a haunted trail! We need a crew of helpers including set up and clean up! If you would help us please contact me at hjmckee1790@gmail.com. We added a new event! There will be a Square Dance on Sunday night just like we used to have many years ago! The weekend will be so much fun! Let me know where you could help! I'm sad to be missing my favorite Frye weekend but at least I can help from Ohio. My leg is healing well so hopefully time will strengthen the new knee and I will be back next year! Have a great time!

Helen McKee, Recreation Committee

SQUARE DANCING IS RETURNING TO FRYE! Join the Recreation Committee for this family fun event as we Doe-See-Doe our way to the end of a great season on Frye! Sunday, October 13th at the Community Center. Doors open at 6:30 PM. Caller will begin at 7 PM. BYOB! Snacks will be served!

Pickleball - Mon, Wed, Fri, Sun at 8:45 am at Lancaster Loop Tennis Courts. Pickleball is a paddle sport (similar to a racquet sport) that combines elements of badminton, tennis, and table tennis. Suitable for all ages! Everyone is welcome! Pickleball will not be held on rainy days.

FI/Casco Mixer - Sunday, September. 15 - Play from 8:45AM – noon - intermediate players only. Contact Kathy Hingston if interested in playing at Khings12@aol.com or on the courts. This will be followed by our annual Pickleball Luncheon for all Frye Island players/spouses/family members to be held at the Golf Clubhouse at noon. Please also RSVP to Kathy if attending the Luncheon.
